

# Series 33, 34, 35 & 36 Alternators

www.unipoint.com.tw

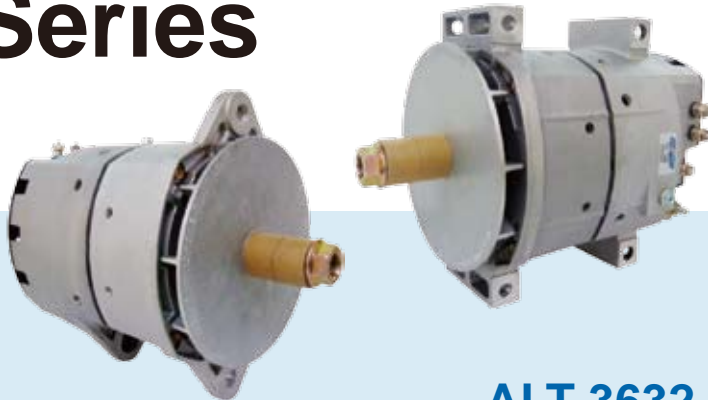

Unique Quality - Unique Value - Unipoint

## NEW 33, 34, 35 & 36 Series

Date: FEB, 2011  
Ref: UNI-36 ALT Series  
ISO-9001 & TS-16949 Certified

## Heavy Duty Brushless Alternators

### ALT-3600

**36 Series, 12V, 170A Pad Mount**  
**Replaces Delco 36SI 155, 160, 170A models**  
2005-Up Various Medium & Heavy Duty Trucks

### ALT-3632

**33 Series, 12V, 135A J180 Mount**  
**Replaces Delco 33SI 110, 135A models**  
1996-03 Various Medium & Heavy Duty Trucks  
Note: Can Use ALT-3602 or ALT-3652 as upgraded replacement

### ALT-3650

**35 Series, 12V, 140A Pad Mount**  
**Replaces Delco 35SI 110, 135A models**  
2000-07 Various Medium & Heavy Duty Trucks  
Note: Can Use ALT-3600 as upgraded replacement

### ALT-3601

**36 Series, 12V, 170A Quad Mount**  
**Replaces Delco 36SI 165, 170A models**  
2005-Up Various Medium & Heavy Duty Trucks

### ALT-3640

**34 Series, 12V, 135A Pad Mount**  
**Replaces Delco 34SI 110, 135A models**  
2000-07 Various Medium & Heavy Duty Trucks  
Note: Can Use ALT-3600 or ALT-3650 as upgraded replacement

### ALT-3651

**35 Series, 12V, 140A Quad Mount**  
**Replaces Delco 35SI 140A models**  
1997-07 Various Medium & Heavy Duty Trucks  
Note: Can Use ALT-3601 as upgraded replacement

### ALT-3602

**36 Series, 12V, 170A J180 Mount**  
**Replaces Delco 36SI 155, 165, 170A models**  
2005-Up Various Medium & Heavy Duty Trucks

### ALT-3641

**34 Series, 12V, 135A Quad Mount**  
**Replaces Delco 34SI 110, 135A models**  
1197-03 Various Medium & Heavy Duty Trucks  
Note: Can Use ALT-3601 or ALT-3651 as upgraded replacement

### ALT-3652

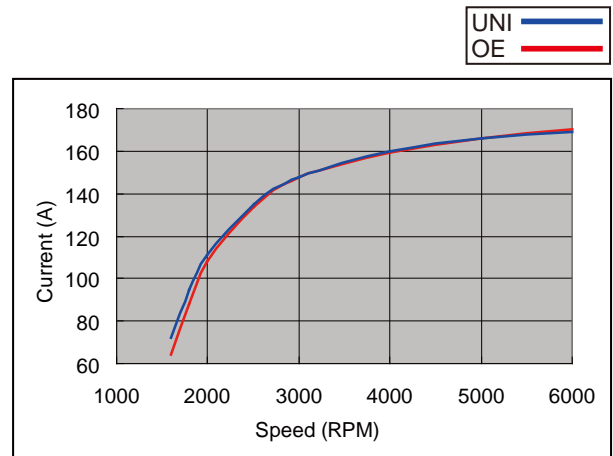

**35 Series, 12V, 140A J180 Mount**  
**Replaces Delco 35SI 110, 135A models**  
1997-07 Various Medium & Heavy Duty Trucks  
Note: Can Use ALT-3602 as upgraded replacement

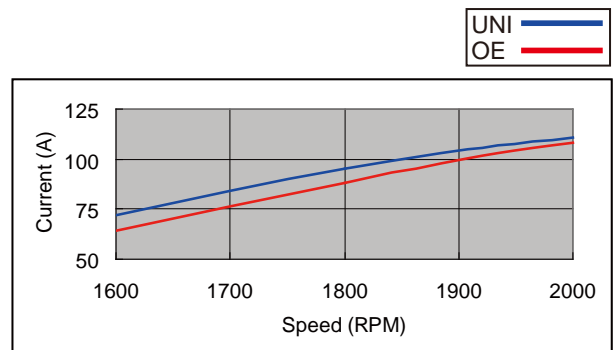

## New 33, 34, 35 & 36 Series Heavy Duty Brushless Alternators Now Available!

### Features / Benefits:

- Unipoint 33, 34, 35 & 36 series of alternators are manufactured to meet or exceed OEM specification for durability & enhanced performance.
- Our units are better optimized than our competition and as a result generate an additional 8 to 12 percent more amperage at low to medium engine RPM.
- Comprehensive coverage with 9 part No.'s to replace entire Delco 33, 34, 35, 36SI models.
- Wide range of application for various medium & heavy duty trucks and school buses.
- Brushless design for enhance durability and service life.
- Every Unipoint 33, 34, 35 & 36 series model is equipped with a remote sense terminal for maintaining optimum battery conditioning.
- Important note: If replacing an alternator that is not equipped with a remote sense terminal, due to Unipoint's unique design, simply ignore the remote sense terminal on the Unipoint alternator and the alternator will work perfectly.

Overall performance curve shows same comparison to O.E.M.

Unipoint's superior performance output at low RPM compared to O.E.M. output.
